LICENSING OBJECTIVES	•
Describe the steps you intend to take to promote the four licensing objectives:	•

a) General – all four licensing objectives (b,c,d,e)

List here steps you will take to promote all four licensing objectives together.

Pride in Surrey uses a preferred and consistent team of professionals from the SIA security Team, Medical teams and established event catering companies to ensure that we run successful events and have had no issues for a number of years since we have started Pride in Surrey. We work closely with the council and the local emergency services through the SAG meetings to ensure that we run a safe and successful event. The event is ticketed to enable us to obtain information on all attendees.

b) The prevention of crime and disorder

The use of a preferred SIA Security company to carry out bag searches on arrival and patrol the site throughout the day and the days prior to the event. Also use of a drugs dog and drone (subject to License) will be used to monitor the sight.

c) Public safety

The use of Heras fencing and the ticket system will enable us to know who is in the park. The security team will operate alongside Medics and the event team to ensure the safety of the public attending the event

d) The prevention of public nuisance

This license has been played to end at 10pm from the advice from Surrey Police Borough Commander, it was planned to finished at 9pm, but going to 10pm allows a more natural exit of attendees leaving and heading to the Guildford town and local nighttime venues around town. Timings will be used to end the event and the bars will close before the end of the event to ensure no drink is taken out of the park. Exits will be monitored by security to remove any drinks from attendees. Monitoring of the attendees by security to spot any issues early and these people will be removed early and not allowed back on site. Directional signage will guide attendees to the town and rail stations.

e) The protection of children from harm

Lost child facility will be advertised on site and the security team will look after these. Ticketed event so a record of all attendees is available on request. Youth Zone will be manned by team members that have gone through DBS checks.

# NOTES ON DEMONSTRATING ENTITLEMENT TO WORK IN THE UK

# Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

# Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <a href="https://www.gov.uk/prove-right-to-work">https://www.gov.uk/prove-right-to-work</a>) which, along with the applicant's date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant's right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.
